

# The RMA: Who's responsible?

*Geoffrey Palmer:*  
He wrote it ...

*Ken Shirley:*  
He promoted it ...

*Simon Upton & Jim Bolger:*  
They introduced it ...

*Marian Hobbs:*  
She 'amended' it,

*Nick Smith:* He defended it,  
(and added the Hauraki Gulf  
Marine Park Act!)

If you want it 'fixed', these are the three you now need to persuade:  
**The Environmentalist, The Lawyer & The Politician**

*National's Nick Smith*

*National's Richard Worth*

*ACT's Ken Shirley*

**Can You Spot the Problem?**  
**Don't 'Fix' It .... Abolish It!**
